PRESS RELEASE

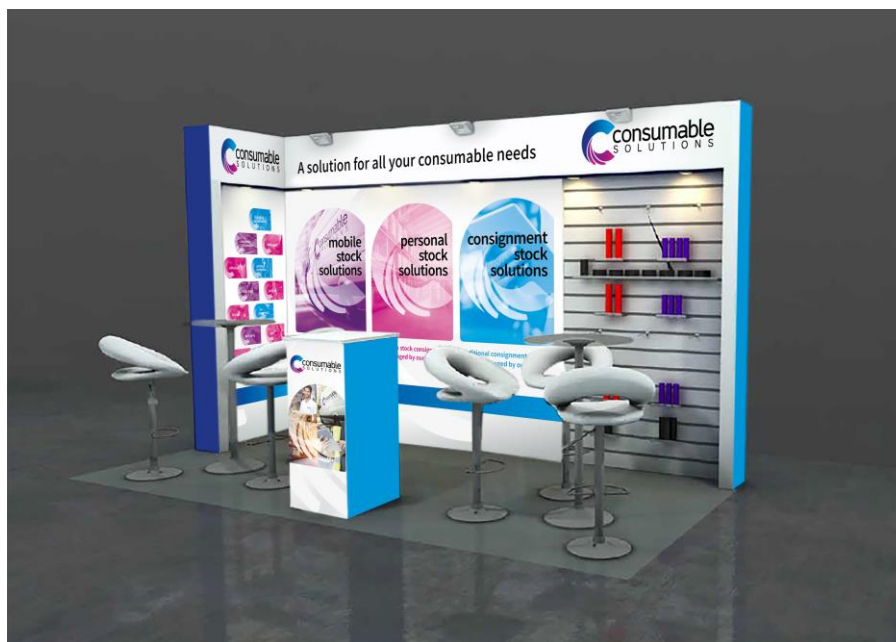

23 October 2018

Introducing Consumable Solutions to the Composites Market

[Consumable Solutions](#) will be exhibiting for the first time on Stand T94 at this year's [Advanced Engineering](#) on 31 October and 1 November. Combining expertise and technology, Consumable Solutions helps improve the efficiency of the day to day challenges of consumable supply into the Composites sector.

Advanced Engineering is the UK's largest annual gathering of advanced engineering professionals, connecting the entire supply chain, with R&D, design, test, production and procurement from OEMs and top tier industry.

[Register here](#) for your free entry.

You are also invited to the Consumable Solutions **DRINKS RECEPTION** on Stand R95 3pm-5pm on **Wednesday 31 October**.

Lee Williamson, Business Director of Consumable Solutions comments, *“We are delighted to be making our debut at Advanced Engineering along with our partner company, GRP Solutions. Our team recognises the challenges that our customers face in managing the procurement of consumables. We also understand that not one solution fits all. That is why we have developed a range of solutions for our customers and will even offer a bespoke service where required. Come along to Stand T94 and find out how we can help your business run more smoothly.”*

About Consumable Solutions:

GRP Consumable Solutions Ltd, the UK's Premier Consumable Provider to the composite industry and beyond. We offer an extensive portfolio of over 36,000 products. Combining technology with experience to service all your consumable requirements cost effectively and efficiently, we offer personalised stock, consignment and mobile solutions.
