PRESS RELEASE 28 January 2019

GRP CONSUMABLE SOLUTIONS LAUNCHES NEW MOBILE SERVICE

GRP Consumable Solutions is delighted to provide a new mobile consumable stock solution to the composite sector. Nick Robinson, our Mobile Solutions Representative, will be pleased to deliver a wide range of specialist composite consumables to your doorstep. You'll be able to choose from our van's mobile stock of polishing compounds, adhesives, rollers, PPE, release agents, tools, abrasives and a whole lot more, whilst benefiting from advice from Nick and the highly experienced Consumable Solutions team on the right choice of consumables to meet your requirement.

Sheree Giacomelli, Consumable Solutions Business Manager comments, *"Our mobile stock solutions' customers will enjoy a convenient, first-class service whilst benefiting financially from competitive pricing, no carriage charges or minimum order quantities. Payment can be made easily by cash, card or via digital invoicing. Technology including barcoding, expenditure and delivery tracking will all be available soon to ease the buying process further. If you get caught out in between visits simply order online and the knowledgeable team at GRP Consumable Solutions will be pleased to supply goods for quick delivery."*

Consumable Solutions Business Director, Lee Williamson adds, "*We're thrilled to be meeting the consumables demands of local composite businesses. Initially we'll be servicing the South Coast but plan to expand into other regions. We bring a significant depth of expertise to this marketplace and, through our group partnerships can also add value across the entire composite sector from our consumables through to GRP Solutions composite offerings, and advanced composite solutions from TCS.*"
